

From the 30 years of LEFÖ calendar

Dear Companions,

Dear Friends,

Dear Supporters

For the past 30 years, LEFÖ – Beratung, Bildung und Begleitung für Migrantinnen has successfully been fighting for the rights of migrant women. Our dedication would have been impossible without the support from our allies. However, in the course of the last years the goings have gotten tougher. Financial crisis, political shifts and women from different countries fleeing poverty and violence have led to an increase in migration towards Europe and Austria. This has increased the demand for counselling and support. At the same time, psychosocial facilities are confronted with dwindling financial resources. As a consequence, especially the counselling for Latin American Women is facing economic hardship (lack of sufficient funding) and needs your support. We have built up our offer in the course of many years' work, and feel committed towards our target groups and clients to pursue our professional and high quality counselling.

Please support us with a donation,  
so we can keep up the LEFÖ counselling work.

Thank you very much!

Kind Regards,

Ana Maria Garza
